

Friday, April 20th  
"Amy"/May Day -  
Art

Try an art experiment using your "third eye," just as Amy March may have done! Make your own copy of original artwork done by the real-life May Alcott, play art-centered games, and illustrate scenes from your favorite books!

*See you at Plumfield!*

## Louisa May Alcott's Orchard House

Tuesday - Friday, April 17 - 20, 2007

9:30 - 11:30 a.m.

*Join us for a week of fun during April school vacation!*

*Try your hand at activities popular with Louisa May Alcott and her sisters.*

*Our trained staff will help you act, write, make a craft, and draw just like the Alcott girls -- the real-life models for "Meg," "Jo," "Beth," and "Amy"!*

**COST: \$100 for the week or \$30 per day (Orchard House Members: \$80 & \$24 respectively)**

**Space is limited! Pre-registration & pre-payment required; please phone 978.369.4118 x106**

### Tuesday, April 17th "Meg"/Anna Day - Theater

See where the Alcott girls performed "theatricals" for friends and family!

Rehearse a skit based on a scene from *Little Women*, play theater games, and improve your acting skills!

### Wednesday, April 18th "Jo"/Louisa Day - Writing

Practice writing in the very room where Louisa May Alcott penned the bestseller, *Little Women*!

Have fun putting together a skit, story, or poem -- just like Jo March -- and illustrate your work to take home!

### Thursday, April 19th "Beth"/Lizzie Day - Crafts & Games

Make a clothespin doll to keep or give away as a gift. You'll see a doll that the real-life Lizzie made for one of her neighbor friends, play with old-fashioned toys, dolls, and games, and put on an original puppet show!

- Friday on back!
